EXPLANATION OF SCORE KEEPING

The schedule is arranged so that the standing of each team can be kept up to date by placing the name of the winning team under the word "Winner" and placing the score in the column provided. Place the highest score in first column. The advantage of this will enable the fan to know the standing of all teams and know in advance the most interesting games.

OUR UMPIRES

For years and years the Winnipeg Senior Amateur Baseball League relied on outside material for umpires with good, bad and indifferent results. Last summer the executive decided to experiment by appointing local men. In this they were fortunate in securing Fred "Bunny" Warren and William "Snake" Siddle—two of the most colorful ball players that ever cavorted Wesley park.

When the umpire question came up at the annual meeting this spring, every last club expressed complete satisfaction with the work of "Bunny" and "Snake" and unanimously moved for their reappointment. It may be of general interest to our patrons to know that the elongated Bill Siddle played senior baseball for nineteen years, seventeen of which were with the Arena Club. And yet, from the point of active service "Bunny" Warren eclipses them all for "Snake" used to carry the big fellow's bat to and from the ball parks before he was old enough to break into organized baseball.

They know the game and they love the game. Year after year the Winnipeg baseball enthusiasts journeyed to Wesley park to see "Bunny" and "Snake" perform and they were never disappointed. They made the turnstiles whirl with their scintillating and pleasing acrobatics in the infield and at the plate. Each of them have broken up many a ball game with timely and well-placed clouts and both have deprived many batsmen of sure-looking hits by their clever and brilliant fielding.

□ ONE OF THE RELIABLES □

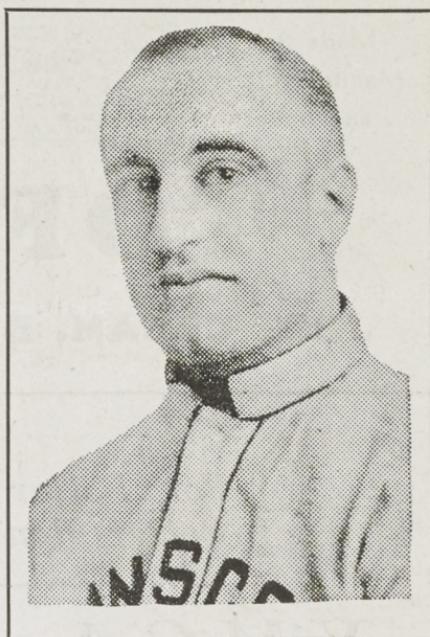

BILL CROWE

Crafty hurler of the Dokey-Tiger Club who has pitched consistently fine ball for the Bengals ever since he donned a senior uniform about ten years ago. The big fellow came into Wesley Park after a sensational display in minor leagues in this city. Bill is the man who put the "C" in control and nothing disturbs him. His team-mates like to play ball with him and for him and umpires like to work behind him. Moreover the fans love to see him go to the mound. One of the best, is Bill.

□ □ □ ELK'S PRESIDENT □ □ □

JACK HIND

This veteran has by sheer ability outlasted a host of senior ball players in this city. For more than twenty years now, Jack has been serving up an assorted array of curves and he is back, ready for duty again. He has been the "ace in the hole" on countless occasions with the old and distinguished Transcona Club, and more recently with the Elks. Always a hard worker, Jack used his great speed and fast-breaking curves to foil the ambitions of many a mighty slugger. The Wesley Park fans, old and new, know Jack Hind as a gentleman off the diamond and on the diamond.
